

Morgan County ARH Department of Nursing Services

Mission

In support of the ARH mission, our dedicated nursing team is committed to provide competent and compassionate nursing care each day for our patients and their families.

Vision

Our vision is to be the preferred community hospital for excellence in nursing care in Eastern Kentucky.

Values

- Quality in all nursing care
- Teamwork with patients, families and staff
- Respect for all individuals
- Professionalism with integrity
- Accountability in nursing practice
- Trust in service
